

English & American Literature

Direction: Answer all Two, with each answer counting 50%

1. Romanticism is characterized by the love of mysticism, primitivism, interest in medieval past, and frequent use of death as theme. Try to discuss at least 4 romantic poets (including 2 English poets and 2 American poets) in the light of the characteristics stated above.
2. Discuss human relationship as presented in modern novels (2 English novels and 2 American novels).
