Directions: Write an essay responding to the question below. In the essay, you must clearly state your opinion. The essay should be approximately 300 words.

Whipping (or caning) has been used by various countries as punishment for certain crimes. Taiwan has not implemented this penalty, but activists have been urging Congress to pass such a law in order to curb the ever-rising number of drunk driving incidents. Do you agree or disagree that drunk drivers should be whipped (or caned) as punishment for their offense? Give reasons or examples to support your opinion. (100%)
