4. elegy
5. Comedy of manners

II. Essay Questions: 60%

1. A period of European history extending from the end of classical antiquity (about A.D. 500) to the Renaissance (about 1450) is called the Middle Ages. Briefly discuss the literary characteristics of Medievalism.
2. In European and American literature during the first half of the 19th century, the Romantic Movement is the result of a deliberate revolt against the now impotent tradition of Neo-Classicism. Discuss the literary characteristics of this Romantic Movement.
3. Name anyone of English or American novels of the 20th century you are familiar with, and try to analyze the theme of the novel you mention.
