

臺灣綜合大學系統 113 學年度學士班轉學生聯合招生考試試題

科目名稱	英文	類組代碼	共同考科
		科目碼	E0002
<p>※本項考試依簡章規定所有考科均「不可」使用計算機。 本科試題共計 4 頁</p>			
<p>第一部分：單選題：請選出一個最正確或最適當的答案(40%,每題 2 分)。[本大題於答案卡作答]</p>			
<p>1. You can read more about container homes by googling <i>Pre-Fab</i> and clicking on any reference to container _____. (A) dressings (B) dwellings (C) swearings (D) stayings</p> <p>2. Even though their performance was not ____ to expectations, investors still have confidence in the company. (A) down (B) up (C) below (D) above</p> <p>3. The company is ____ implementing drastic changes without thorough analysis due to the potential risks and uncertainties involved. (A) averse to (B) curious about (C) worthy of (D) renowned for</p> <p>4. ____ Michael's charm and persuasive skills, he couldn't convince the board to approve his proposal. (A) Concerning (B) As for (C) Considering (D) For all</p> <p>5. The constant criticism from her peers did little to discourage her ____ painting (A) against (B) from (C) in (D) to</p> <p>6. After her divorce, she became ____ to anyone, including her relatives and those friends she used to trust. (A) indulged (B) indifferent (C) incompatible (D) indigenous</p> <p>7. Living in a coastal area, the residents are often at the ____ of hurricanes, leading to evacuations and property damage during storm seasons. (A) cost (B) chance (C) mercy (D) danger</p> <p>8. He rushed to catch the train, ____ to realize he had forgotten his wallet at home. (A) needing (B) but (C) only (D) so</p> <p>9. After hearing about her track record of dishonesty, she became the ____ person I would trust with my secrets. (A) last (B) far (C) impossible (D) big</p> <p>10. She mentioned, ____, her expertise in programming and project management during the interview. (A) so to speak (B) among other things (C) as regards (D) back and forth</p> <p>11. ____ the rain stopped did they venture outside to assess the damage. (A) Only when (B) Due to (C) Because (D) Just after</p> <p>12. Jane had a flat tire on the way to the meeting; we waited for one hour ____ she appeared. (A) for (B) that (C) after (D) before</p> <p>13. The children can't ____ feel excited every time the ice cream truck arrives in the neighborhood, bringing their favorite treats. (A) avoid (B) resist (C) help (D) help but</p> <p>14. With the gourmet restaurant fully booked, the diners had to ____ a quick meal from a nearby café. (A) find out (B) go without (C) make do with (D) stay away with</p> <p>15. The antique collector was ____ with finding rare and unique items to add to the private collection. (A) obsessed (B) open-minded (C) restricted (D) relieved</p> <p>16. The delicious pie is made ____ fresh apples picked from the orchard. (A) of (B) in (C) from (D) into</p> <p>17. It is necessary that all employees ____ the safety training before starting their new roles. (A) to complete (B) complete (C) be complete (D) completed</p>			

18. Jack didn't have time to finish his homework, let alone _____ for the upcoming exam.
(A) study (B) studying (C) to study (D) studied
19. _____ had the storm subsided when the power went out, plunging the neighborhood into darkness.
(A) Scarcely (B) Suddenly (C) Scarily (D) Sincerely
20. The new sculpture in the park _____ no resemblance to the artist's original vision.
(A) makes (B) delivers (C) bears (D) indicates

第二部分：克漏字：請選出一個最正確或最適當的答案（單選；20%，每題2分）。[本大題於答案卡作答]

Financial literacy is a crucial skill that **21** people to make informed decisions about their finances and plan for their future. In today's complex and interconnected world, having a solid understanding of financial concepts and practices is more important than **22**.

First, financial literacy enables individuals to effectively manage their personal finances. **23** understanding concepts such as budgeting, saving, and investing, we can create financial plans that **24** our goals and priorities. This knowledge helps ensure financial stability and security, **25** us to weather unexpected expenses and achieve long-term financial success.

Furthermore, financial literacy is essential for making wise investment decisions. **26** it's saving for retirement, purchasing a home, or investing in the stock market, having a basic understanding of financial principles can help people navigate the complexities of the financial markets and make investment choices. It can ultimately lead to higher **27** and a more secure financial future.

Financial literacy is a critical skill that has far-reaching implications for individuals and society **28**. From managing personal finances to making investment decisions, the benefits of financial literacy are **29**. By investing in financial education and promoting financial literacy initiatives, we can take control of our financial futures and build a more **30** society.

21. (A) endangers (B) enriches (C) empowers (D) encounters
22. (A) ever (B) ago (C) necessary (D) used to
23. (A) With (B) By (C) Getting (D) Be
24. (A) present to (B) reside in (C) abide by (D) align with
25. (A) allowing (B) providing (C) regarding (D) trusting
26. (A) Moreover (B) Whatever (C) However (D) Whether
27. (A) relays (B) refund (C) returns (D) reductions
28. (A) as a whole (B) by and large (C) all in all (D) as a result
29. (A) uncountable (B) undeniable (C) unspeakable (D) unbearable
30. (A) prosperous (B) generous (C) marvelous (D) ambitious

第三部分：閱讀測驗：(單選；10%，每題2分)。[本大題於答案卡作答]

In the vast expanse of the Pacific Ocean lies a realm shrouded in mystery and awe: the Mariana Trench. As journalists and explorers, we are constantly drawn to the depths of our planet, seeking to unravel its secrets and unveil the wonders hidden beneath the waves. Join us on an expedition as we delve into the enigmatic depths of the Mariana Trench, a journey that promises to ignite our curiosity and redefine our understanding of the ocean's abyssal realms.

The Mariana Trench, located in the western Pacific Ocean, is the deepest known part of Earth's oceans. Stretching over 1,500 miles in length and reaching depths exceeding 36,000 feet, this submarine chasm is a testament to the remarkable forces that shape our planet. Named after the nearby Mariana Islands, the trench is a geological marvel formed by the collision of tectonic plates, where the Pacific Plate subducts beneath the smaller Mariana Plate.

Our expedition begins aboard a state-of-the-art research vessel equipped with cutting-edge technology and manned by a team of dedicated scientists and explorers. As we set sail from the shores of Guam, anticipation and excitement fill the air, mingling with a sense of reverence for the unknown depths that lie ahead.

Descending into the abyss, we are immediately struck by the profound darkness that envelops us. Sunlight fades rapidly as we venture deeper, leaving us in a world of perpetual twilight illuminated only by the soft glow of bioluminescent creatures. Our senses are heightened as we navigate through this alien landscape, marveling at the strange and otherworldly life forms that call the trench home.

Despite the extreme conditions, life thrives in the depths of the Mariana Trench. From bizarre deep-sea fish with translucent bodies to giant amphipods resembling prehistoric creatures, the diversity of species is astonishing. As we document these remarkable organisms, we are reminded of the resilience and adaptability of life in even the most inhospitable environments.

Yet, amidst the beauty and wonder of the deep, the Mariana Trench also holds secrets that have long puzzled scientists and explorers. Strange geological formations, mysterious acoustic anomalies, and unexplained sightings fuel speculation and intrigue, prompting us to ponder the mysteries that lurk beneath the waves.

Our journey into the Mariana Trench is not merely a quest for scientific discovery but also a testament to the human spirit of exploration and curiosity. It is a reminder of the boundless wonders that await us on our planet, urging us to continue pushing the boundaries of knowledge and understanding.

As we bid farewell to the depths of the Mariana Trench and resurface to the world above, we carry with us a newfound appreciation for the vastness and complexity of the ocean. Our expedition may have come to an end, but the mysteries of the deep endure, beckoning us to embark on future voyages of discovery and adventure.

31. What makes the Mariana Trench so mysterious?
 - (A) The presence of underwater volcanoes
 - (B) Its vast size and depth
 - (C) The extensive network of underwater caves
 - (D) The discovery of mythical sea creatures

32. What is responsible for the formation of the Mariana Trench?
 - (A) Glacial erosion
 - (B) Tectonic plate subduction
 - (C) Seafloor spreading
 - (D) Volcanic activity

33. What is the primary source of light in the depths of the Mariana Trench?
 - (A) Artificial lighting from submarines
 - (B) Sunlight
 - (C) Bioluminescent creatures
 - (D) Underwater volcanoes

34. How is “the resilience and adaptability of life” related to the depths of the Mariana Trench?
 - (A) Life forms in the Mariana Trench can withstand extreme environments.
 - (B) Life forms in the Mariana Trench are primarily land-based organisms that have adapted to underwater conditions.
 - (C) The resilience and adaptability of life in the Mariana Trench refer to the ability of marine mammals to navigate and hunt in deep waters.
 - (D) Life in the Mariana Trench is resilient because it thrives in well-lit, warm environments with abundant food sources.

35. Which is the most suitable title for this article?
(A) The Deepest Oceans: Exploring the Mysteries of the Mariana Trench
(B) Underwater Wonders: Exploring the Mysteries of the Mariana Trench
(C) Unveiling the Enigmatic Depths: Exploring the Mysteries of the Mariana Trench
(D) Oceanic Adventures: Exploring the Mysteries of the Mariana Trench

第四部分：挑錯：在下列各句中，請挑出有錯誤的部分(單選；10%，每題2分)。[本大題於答案卡作答]

36. The cat lays in the sun, grooming itself leisurely, while birds chirp in the distance and the breeze gently blows through the trees.
(A) (B) (C)
(D)
37. With the sun dipped below the horizon, casting a golden glow over the landscape, the city skyline transformed into a silhouette against the evening sky.
(A) (B)
(C) (D)
38. The author, his latest book topped the bestseller list, was invited to speak at several prestigious literary events across the country.
(A) (B) (C)
(D)
39. Although the recipe called for several rare ingredient, the chef managed to create a delicious dish that impressed all the guests at the dinner party.
(A) (B) (C)
(D)
40. After months of meticulous planning and hard work, the team launched their innovative app, which quickly gained popularity between tech enthusiasts.
(A) (B)
(C) (D)

第五部分：英文寫作：Artificial Intelligence (AI) has attracted much attention recently, and there have been both content and concern as to the rapid development of AI. What do you think? Write a short essay about 200 words to express your opinion. (20%)。[本大題於答案卷作答]
